

HYTEC BLUE VINYL GLOVES, POWDER FREE LARGE

Experience the comfort of non-latex protection with our looser-fitting Blue Vinyl Gloves. Perfect for those with latex allergies, or as a cost effective option, these gloves offer a comfortable fit and are odour-free. They are ideal for food handling, healthcare, labs, and food processing. Approved by FDA, TGA, CE, TUV, ASTM, and BS, these non-sterile, ambidextrous gloves are powder-free.
