

AUTO CUT TOWEL DISPENSER - WHITE

The White AutoCut Towel Dispenser provides a convenient and hygienic solution for hand drying. Designed to complement our highly successful AutoSense touch-sensitive dispenser, AutoCut offers a manual dispensing option where AutoSense may not be suitable. It dispenses 23cm length paper towels, with the 200m roll dispensing 869 sheets and the 100m roll dispensing 434 sheets. Manufactured from durable white ABS plastic.
