

WHITE TABLE TOP HAND TOWEL DISPENSER

The White Table Top Hand Towel Dispenser is an excellent hygienic solution for dispensing paper hand towels in washrooms or food preparation areas where space is limited. Made from durable ABS plastic, this dispenser features a compact and portable design. It can be securely affixed to tabletops or benchtops using the convenient "peel and stick" sticky feet located underneath. The dispenser's lid design allows for easy refills, accommodating the full range of Pacific Hygiene Slim Towels perfectly, providing a cost-effective, flexible and efficient solution.
