

LOTUS FLOWING HAND SOAP 20L

Lotus Flowing Hand Soap in a 20-litre container offers a convenient and cost-effective solution for maintaining cleanliness and hygiene in various environments, such as workplaces, restaurants, and public facilities. This liquid hand soap is formulated to effectively cleanse hands while moisturising and nourishing the skin. Its gentle yet powerful cleaning action removes dirt, bacteria, and impurities, leaving hands feeling fresh and revitalised with each use. The large size of the container ensures extended use, making it suitable for high-traffic areas where frequent handwashing is necessary.
