

# LOTUS SANITISER / CLEANER 5L

Lotus Sanitiser/Cleaner in a 5-litre container provides a robust solution for maintaining hygiene and cleanliness across various surfaces. This versatile cleaner effectively eliminates germs, bacteria, and viruses, making it ideal for use in high-traffic areas, including bathrooms, kitchens, and shared spaces. Its powerful formula not only sanitises but also cuts through tough stains and grease, leaving surfaces spotless and fresh. Easy to use, simply apply the sanitiser/cleaner to the desired area, allow it to sit for a short time, and then wipe or rinse away.
