

ECOLAB CHLORWHITE 750ML

Ecolab Chlorwhite Bleach Sanitiser Cleaner is a versatile, chlorine-based solution that functions as a bleach, cleaner, sanitiser, and reodorant. Its hypochlorite-based formula, enhanced with added alkalinity and surfactants, ensures powerful cleaning of various soils. Effective against a wide range of bacteria, fungi, and viruses, it is thickened for economical use and pleasantly fragranced to mask chlorine odor. Ideal for comprehensive sanitization and cleaning.
