

FUSE BIOPROTECT MULTI-PURPOSE CLEANER CONCENTRATE - CARTRIDGE

Unleash industrial-strength cleaning with the Fuse BioProtect Multi-Purpose Cleaner Concentrate Cartridge. Ideal for floors, kitchens, and bathrooms, this non-slip formula removes organic build-up from all surfaces. Eco-friendly and non-corrosive, it meets MOE Guidelines for ECE Centres and saves over 7 bottles from landfill. One cartridge produces 3.2L of usable product, seamlessly used with the Fuse Dilution Trigger and Water Bottle. Elevate your cleaning routine with this efficient and environmentally conscious solution.
