

FUSE GLASS CLEANER CONCENTRATE - CARTRIDGE

Perfect for both commercial and domestic use, the Fuse Glass Cleaner Concentrate Cartridge ensures quick-drying, streak-free results on glass, mirrors, tiles, and chrome. Use sparingly, spray undiluted, and wipe with a dry, lint-free cloth. Ideal for squeegee window cleaning with potable water. This cartridge is used seamlessly with the Fuse Dilution Trigger and Water Bottle, offering an environmentally conscious solution that saves over 13 bottles from landfill, producing 6.4L of usable product. Elevate your cleaning routine with this efficient and eco-friendly glass cleaner.
