

PACIFIC GREEN RECYCLED TOILET ROLL 1 PLY, 850 SHEETS - FSC

The Pacific Green Recycled Toilet Roll 1 Ply, with 850 sheets per roll, is a sustainable and efficient choice for busy restrooms. Designed with both performance and the environment in mind, this roll is certified by the Forest Stewardship Council (FSC), ensuring it is made from responsibly sourced materials. Its recycled 1-ply construction offers a balance of durability and value, making it ideal for high-traffic environments such as offices, schools, and public facilities.
