

BIOFRESH URINE GO - STAIN & ODOUR REMOVER 5L

Introducing Bio-Urine-Go, your go-to solution for eliminating urine stains and odors effortlessly. This ready-to-use formula is perfect for carpets, tiles, wood, and fabrics, harnessing the power of nature to leave areas odor-free. Naturally biodegradable and scented, it's tough on stains yet gentle on surfaces. First, identify the stain's source, then spray directly and allow 10-15 minutes to work its magic. Gently work the formulation into the area and pat out with a damp sponge. Check results when dry and repeat if needed, or finish with an extraction carpet machine for a pristine finish. Say goodbye to stains and hello to freshness with Bio-Urine-Go!
