

ID CARE NET PANTS WITH LEGS MEDIUM

ID Care Net Pants Ultra Medium offer discreet and comfortable protection for individuals in need of secure and reliable containment. Specifically designed to provide a snug fit, these net pants are suitable for holding incontinence pads securely in place. The medium size ensures a comfortable and tailored fit for most users. With their breathable and stretchable material, these net pants offer comfort and flexibility throughout the day. Washable in a washing bag at 60C, with gentle drying. Product life expectancy: approx. 20 to 30 washes.
