

ID SLIP BARIATRIC SUPER XXL

The iD Slip Bariatric Super XXL is designed to provide maximum absorbency and protection for individuals with bariatric needs. With its high capacity, it offers extended wear time, reducing the need for frequent changes and ensuring comfort and security throughout the day or night. The super absorbent core quickly locks away moisture, keeping the skin dry and preventing irritation. The XXL size provides a comfortable and secure fit for larger individuals, offering peace of mind and dignity.
