

RUBBERMAID SLIM JIM® CONTAINER WITH VENTING CHANNELS 60L BLACK

The Rubbermaid Commercial Slim Jim® containers with venting channels offer uncompromised performance in constrained spaces. Venting channels make removing liners from the container up to 80% easier, improving productivity and reducing the risk of worker injury. 4 bag cinches secure liners around the rim of the container and create quick, knot-free liner changes. Robust handles at the base and rim of the container resist tearing and improve control while lifting and emptying. Rib-strengthened rim resists crushing while the step design prevents jamming when nested. Crafted of the highest quality commercial-grade materials for superior durability.

SPECIFICATIONS:
60L capacity

Colour - Black
