

# RUBBERMAID CONFIGURE™ DECORATIVE WASTE CONTAINERS, 125L

Upgrade your waste management with the Configure™ Decorative Waste Containers, offering a sleek, modern recycling solution for indoor or outdoor commercial spaces. This 125 Litre container features heavy-gauge steel construction, contoured edges, and magnetic connections for a professional appearance. The easy-glide feet, colour-coded label, and convenient front door with handle enhance functionality. With a rigid plastic liner and venting channels, this container ensures efficient and hassle-free waste disposal. Ships fully assembled for your convenience.
