

RUBBERMAID TOWABLE PALLET CART, 127CM X 127CM

The Towable Pallet Cart is ideal for moving multiple heavy oversized loads throughout a facility. Easily tow up to 3 carts at once with a towing vehicle, using the heavy-duty tow bar and hitch. Manually push cart using patented handle, designed with variable grip heights to suit a wide range of user heights when used manually with up to two products. Compatible with all standard wooden and plastic pallets up to a standard 122cm x 122cm pallet.
