

RUBBERMAID BRUTE VENTED WASTE CONTAINER 208L

Innovative venting channels make lifting out liners up to 50% easier, improving productivity and reducing the risk of injury. Integrated cinches secure the liner, allowing for efficient knot free liner changes. Reinforced base is specifically engineered to be dragged over rough surfaces, extending life and overall durability even in the toughest environments. Stackable design enables nesting for easy transport and storage. Optional dolly also available.
