

RUBBERMAID WASTEBASKET RECTANGLE 12.9L - BLUE

Rubbermaid Commercial Deskside Waste Baskets provide an efficient, economical, and effective deskside waste and recycling solution. Made from durable all-plastic construction, they won't chip, rust, or dent, while rolled rims add extra strength and make cleaning simple. Designed to fit neatly under standard-height desks, these waste baskets are made using a resin blend with 20% or more recycled material, offering both practicality and sustainability.
