

# RUBBERMAID TRADEMASTER® CART WITH 4 DRAWERS AND CABINET

The TradeMaster Cart with 4 Drawers and Cabinet is a complete tool storage and mobile workbench system, with shelving and cabinet configurations to meet any storage needs. Features bright red locking cabinet for versatile tool and supply storage and organisation. 10.16cm deep drawers feature commercial-quality, ball bearing slides allowing for easy opening and closing. Metal reinforced structural foam shelves are engineered for durability. Structural foam construction guarantees not to warp, splinter, dent, rust, or rot. Molded-in storage compartments for small parts or tools.
