

# RUBBERMAID WAVEBRAKE SIDE PRESS COMBO 33.1L CAPACITY

The next-generation WaveBrake® mop bucket offers safer, effortless floor cleaning without compromising quality. Patented WaveBrake baffles reduce splash by up to 80% compared to leading competitors\*. Its side-press and down-press wringers are built to last 5 years or 200,000 cycles. The integrated handle on the wringer facilitates easy installation and removal, while the wringer base stands upright when removed to minimise bending during bucket emptying. With water staying in the bucket, productivity is enhanced by eliminating unnecessary trips to refill. Designed for effortless water emptying, it features integrated handles, a sink ledge, and a pour spout for safe and stable control.
