

RUBBERMAID BRUTE® 76L TOTE WITH LID, GREY

The BRUTE® Tote Storage Bin with Lid is a heavy-duty storage container designed for durability and secure storage. NSF-certified for food handling and processing, it's ideal for use in the food service industry. Grip handles make carrying comfortable, while drainage holes prevent water build-up and reduce the risk of bacteria. The reinforced ribbed bottom allows the tote to be dragged without damage, and the tight-snapping lid keeps contents secure.
