

RUBBERMAID 152.4CM GRIPPER CLAMP STYLE FIBREGLASS WET MOP HANDLE, BLUE

The Gripper® Clamp-Style Mop Handle streamlines the process of removing and replacing mop heads with its efficient design. Specifically designed for 5" headband mops, it securely holds the mop in place between its jaws. Crafted with a durable fiberglass handle and featuring a yellow clamp-style plastic head, this handle offers reliability and longevity. Easy to use and suitable for both commercial and industrial applications, it ensures convenience and effectiveness in your cleaning tasks.
