

# RUBBERMAID MICROFIBER BATHROOM CLOTH, YELLOW

The Rubbermaid Commercial Microfiber Light Duty Cloth is a high-quality microfiber product tailored for less demanding users. Offering superior cleaning performance and effective germ removal compared to traditional cloths, it has been proven to eliminate 99.9% of microbes. With durability up to 200 commercial launderings and 100 with bleach, this cloth is versatile for cleaning all surfaces, whether for wet cleaning or dry dusting. The colour-coded design facilitates organised cleaning by area or task, contributing to a reduction in cross-contamination.
