

# RUBBERMAID 122CM - 183CM QUICK-CONNECT ERGO EXTENSION HANDLE

The HYGEN™ Quick-Connect Ergo Handle is designed with an ergonomic-bend style that adjusts to your needs. Its lightweight aluminum construction enhances productivity and is safe for use in MRI rooms. The one-step connecting mechanism speeds up mop assembly and changeover, while the user-friendly grip ensures a comfortable cleaning experience.

**SPECIFICATIONS:**  
Quick-Connect Adapter (FGQ70100BK00) allows use of Quick-Connect handles and poles with any standard threaded tool

**SOLD:**  
INDIVIDUALLY
