

RUBBERMAID QUICK CONNECT FLEXI WAND WITH DUSTING SLEEVE, GREEN

The HYGEN™ Microfiber Quick-Connect Flexi-Wand and Duster effortlessly eliminate dust from crevices and challenging-to-reach spaces. Its flexible design easily bends and conforms to irregular shapes, enabling effective cleaning of crown molding, cabinet tops, and other areas. The washable duster sleeve slides on and off for convenient replacement, and it is bleach safe, meeting CDC hot and cold water laundering requirements.
