

RUBBERMAID HYGEN™ MICROFIBRE FLEXI WAND DUSTING SLEEVE REPLACEMENT, WHITE

The HYGEN™ Microfiber Flexi-Wand Dusting Sleeve features a high-pile split microfiber for extensive dusting coverage in hard-to-reach places. It effortlessly collects dust, hair, and larger debris, making it ideal for cleaning furniture and bed covers. Suitable for wet or dry cleaning, it enables users to trap a significant amount of dust and dirt. The washable duster sleeve easily slides on and off for convenient replacement, and it is bleach safe for added versatility.
