SEKO - DISPENSERONE FLEXI - 10L

Seko's DispenserONE Flexi, a versatile and efficient dispenser with a 10-liter capacity. Crafted for convenience and reliability, the DispenserONE Flexi is designed to dispense various liquids, including hand sanitisers, soaps, and disinfectants. Its spacious reservoir reduces the frequency of refills, making it ideal for high-traffic areas and busy environments. With its sleek and modern design, the DispenserONE Flexi seamlessly integrates into any space, from commercial settings to healthcare facilities and beyond.
