

NILOGEL ABSORBER 360GM

Nilogel Absorber, a versatile and powerful solution designed to quickly absorb and encapsulate spills and odours. With its 360gm capacity, Nilogel Absorber efficiently tackles spills of various liquids, including oils, greases, and aqueous solutions. Its advanced formula ensures rapid absorption, preventing further spread and contamination. Ideal for use in industrial, commercial, and household settings, Nilogel Absorber offers a convenient and effective way to manage spills and minimise cleanup efforts.
