

SORB-X PRINT WIPE

The Sorb-X Print Wipe is your reliable companion for efficient and economical cleaning in the printing industry. Designed with entrapment holes, it effectively removes tough ink stains, glaze, grease, and grime for sharp and unblemished results. With cotton-like softness and ultra-low linting properties, it meets all your cleaning needs in printing. Enjoy its excellent ink, oil, and water absorbency, along with solvent resistance. Experience the cotton-like matte feel for optimal performance in printing. Elevate your cleaning standards with Sorb-X Print Wipe.
