

SORB-X COLOURTEX TEXTILE WIPER GREEN

The Sorb-X Colourtex Textile Wiper in Green is a vibrant and versatile solution for cleaning tasks. Offering excellent absorbency, it can absorb up to 10 times its weight in liquids. Its green colour is part of a colour-coded cleaning system for organisation and efficiency. With 100% washability, this durable wiper can be reused multiple times, providing an economical and environmentally friendly solution. Resistant to high temperatures and safe for use with solvents and cleaning solutions, it's suitable for both professional and home settings, with low linting properties ensuring reliability.
