

SORB-X ENDURANCE WIPER WHITE CENTREFEED

The Sorb-X Endurance Wiper in White Centrefeed is a superior solution for cleaning tasks. Made from non-woven laminated wood pulp, it offers excellent absorbency and strength, ensuring reliability and cost-effectiveness. Designed to fit the Centrefeed Dispenser perfectly, it's convenient for various environments. With ultra-low linting properties, it minimises fibre generation, making it ideal for sensitive surfaces. Washable and non-static, it allows for multiple uses, providing an efficient and sustainable cleaning solution.
